DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on December 1, 2009 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent Number 7,211,132 has been reviewed and is accepted. The terminal disclaimer has been recorded.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: This application teaches an ink composition comprising at least water, a cyan dye represented by the following formula, and an aromatic compound having a carboxyl group and/or a salt thereof:

wherein R_1 to R_4 each independently represents SO_2Z and each Z independently represents a substituted or unsubstituted alkyl group, a substituted or unsubstituted cycloalkyl group, a substituted or unsubstituted alkenyl group, a substituted or unsubstituted aralkyl group, a substituted or unsubstituted aryl group or a substituted or unsubstituted heterocyclic group, provided that at least one of the Z 's has an ionic hydrophilic group as a substituent; and M represents H , a metal element or an oxide, hydroxide or halide thereof. The closest prior art of record is U.S. Patent No. 7,211,132, issued to Oki et al., however, applicants have filed a certified English translation of their foreign priority which entitles them to a date of September 30, 2003 which is earlier than

Art Unit: 1793

the effective filing date of the above U.S. Patent. Accordingly, the 102(e) rejection over the Oki et al. reference has been overcome. Since the only rejection remaining in this application is a provisional obviousness-type double patenting rejection over copending Application No. 11/597,729 (US 2008/0047461), and this application is the earlier filed application, the examiner is withdrawing this rejection and passing this application to issue as per MPEP 804.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
